How do I apply for an ETA?

EU citizens can apply for the ETA from 5 March 2025 via the British ETA app or [online via GOV.UK](#). Each traveller will need their own ETA. Please note that the ETA must be applied for three days before the planned journey.

How much does an ETA cost?

The ETA costs £10 per person.

How do I obtain my ETA?

After approval, the applicant receives an e-mail and the ETA is automatically linked to the passport.

The ETA is valid for two years and entitles the holder to make several trips to the United Kingdom. If the passport linked to the ETA expires prematurely, the ETA also loses its validity.
