## **Apply**

You must apply online for a Child Student visa.

Check which documents you'll need to apply.

### Apply outside the UK

As part of your application, you'll need to prove your identity. How you do this depends on where you're from and what type of passport you have.

You'll either:

- have your fingerprints and photograph taken at a visa application centre
- use the 'UK Immigration: ID Check' app to scan your identity document (you'll also create or sign into your UK Visas and Immigration account)

You'll be told what you need to do when you apply.

Once you've started your application, you can save your form and complete it later.

# Confirm your identity

You will need a passport with a biometric chip.

### Scan your passport and upload a photo of yourself

To confirm your identity, you will use the free UK Immigration: ID Check app to scan your passport with a biometric chip and upload a photo of yourself.

If you are applying for someone else, the applicant needs to confirm their identity - you can help them use the app.

### If you cannot use the app to confirm your identity

You will need to go to a visa application centre after you apply instead. Visa application centres are not available in all countries.

# Check you can use the app

You can use the app on:

- an iPhone 7 or newer models
- an Android phone with near-field communication (NFC)

Check the phone's settings to see if it has NFC. The phone has NFC if you can use it to make contactless payments.

## If you do not have a phone

Ask a friend or family member if you can use their phone. No information is stored on the app or phone after you close it.

You do not have to apply on the phone - you can do the rest of your application on your computer or another device.

We will send your decision letter by email – this can be your email or someone else's. You do not use your decision letter to prove your status.

# Create a UK Visas and Immigration account

To use this service, you need to create an account.

Once you have an account, you can use it to confirm your identity, apply and use other Home Office services.

### What you need

You will need your:

- · date of birth
- passport
- email address
- phone number

If you need to give someone application access so they can apply for you, you also need their email address and phone number.

### Who can create an account

You can create an account for yourself or someone else in some cases - for example, your young child.
